HCL Technologies and SABA Team Up to Provide Enhanced IT Services

Leading IT service provider and premier Human Capital Management solutions provider join forces to extend Global Services to customers

Redwood Shores, Calif. and Noida, India, May 2, 2007 – HCL Technologies Ltd. (“HCL”), one of India’s leading global IT services companies and Saba (NASDAQ:SABA), the premier Human Capital Management (HCM) software and services provider, today announced an alliance to strengthen joint offerings for customers.

HCL Technologies and Saba are teaming up to extend their services and relationships throughout Asia Pacific to Europe and North America. The two companies will align marketing efforts to provide coordinated software and IT services to mutual customers in several vertical markets including media & entertainment, healthcare, financial services, retail, life sciences and hi-technology and manufacturing.

“Teaming up with HCL reinforces and extends our global value proposition,” said Bobby Yazdani, chairman and CEO of Saba. “Together we can tap into and serve new customers and offer integrated people management and IT solutions. HCL Technologies provides back-end IT services that support Saba’s technology, providing a complete package that many of our customers are looking for.”

“The importance of HCM is top of mind for many global companies today and Saba is able to provide easily integrated and cost-effective solutions,” said Vijay Guntur, Vice President of HCL Technologies. “As a leading IT services provider, we are pleased to join forces with Saba to provide a comprehensive solution to our customers worldwide.”
