

Enterprise workload transformation SAP on GCP

Enrich, extend and automate with
Google Cloud Platform (GCP)

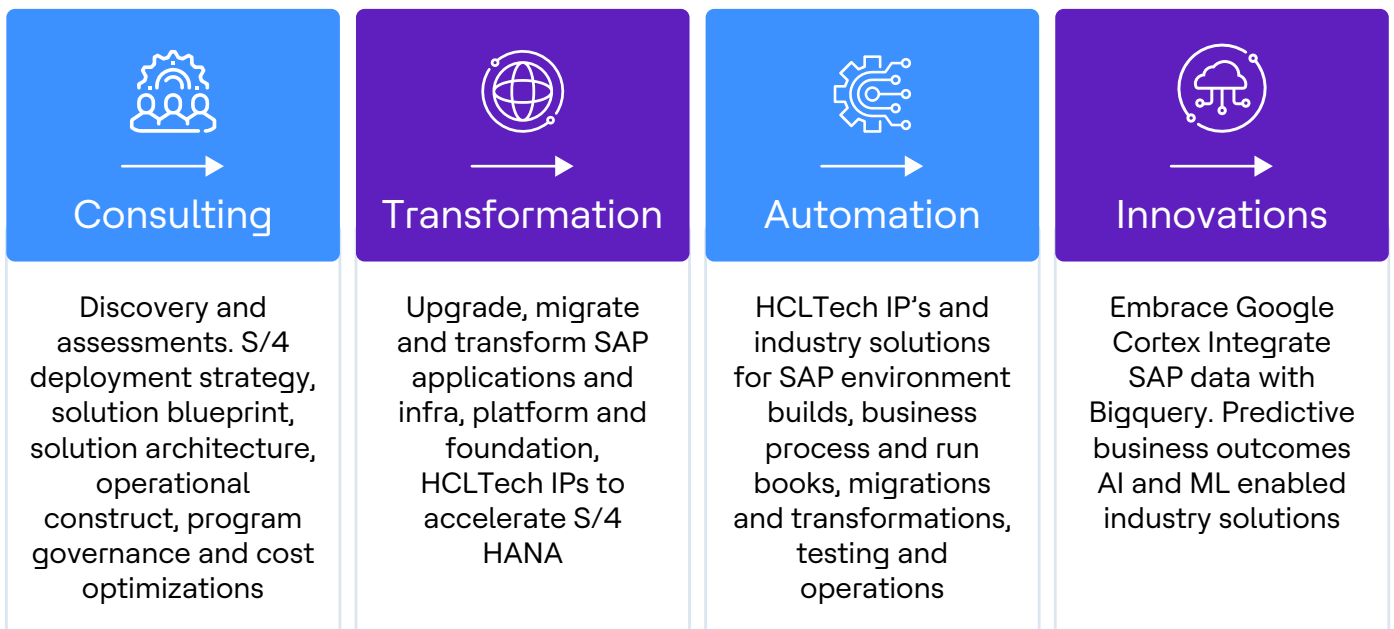

Typical drivers for SAP on GCP deployment

- Quest for a reliable, flexible and scalable IT infrastructure
- Reducing the TCO by up to 50% with SAP application on Google Cloud Platform (GCP)
- Google Cortex framework for business outcomes
- AI/ML-driven business use cases for future demands
- Enhance data capabilities for SAP with Google BigQuery

Our services:

Covers E2E digital adoption journey

HCLTech SAP vertical solutions

All verticals

- SAP workload transformation / migration to GCP
- Google Cloud Cortex framework
- SAP workload managed services

Travel and transport, retail

- Smart logistics for moving asset

Consumer products

- Smart asset Operation and Product as a Service
- Social mall solution

Professional services

- Smart Service Desk using DRYiCE XaaS service management
- Labor clocking application solution

Manufacturing

- Supply chain and AR optimization using Smart asset track and trace
- Touchless work order using image classification and voice recognition

Complex manufacturing

- Asset predictive maintenance solution
- Global scrap log on blockchain

Healthcare

- Emerging enterprises powered by AI using Lucy and Robotics process automation
- Smart logistics for High-Value Assets
Intelligent Supply Chain Visibility

Wholesale and distribution

- Cold chain monitoring

Construction, mining

- Smart helmet connected personal protective gear, Connected worker solution

Why GCP for SAP?

- Innovation with AI/ML, Apigee, Big Query integrated with SAP
- Low networking costs and lowest latency with high speed and performance
- Supports live migration and custom machine types
- Simplified SAP deployment
- Highly Secured - data encrypted at rest and motion
- Deep Google SAP partnership with joint SAP support tiers

Why HCLTech?

650+

SAP application customers

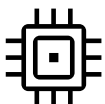

18,000

GCP trained and 6000+ GCP certified teams

70+

SAP on cloud accelerators and solutions

10,500+

SAP consultants

Avasant Leader
