## **HCLTech wins Google Cloud Awards for Global Talent Development, Industry Solution Services in Telecommunications and Cloud Migration Specialization**

**NOIDA, India, April 10, 2024**—[HCLTech](#), a leading global technology company, has announced that it received three Partner of the Year awards at the Google Cloud Next '24, held in Las Vegas this week. HCLTech was presented with awards for Global Talent Development, Industry Solution Services for Telecommunications and Cloud Migration Specialization.

The Global Talent Development Partner of the Year Award recognizes HCLTech's deep Google Cloud expertise and commitment to nurturing a continuous learning and growth culture within its workforce. The Industry Solution Services Partner of the Year Award for Telecommunications recognizes HCLTech's innovative industry solutions for the telecommunications industry.

HCLTech received the Cloud Migration Specialization Partner of the Year Award in recognition of its ability to provide effective and efficient migration of applications to cloud. HCLTech CloudSMART Industrialized Services are scalable and agile choices for Google Cloud and multicloud environments.

"HCLTech has demonstrated a deep commitment to advancing technical skills and expertise to support our customers' increasingly diverse needs," said Kevin Ichhpurani, Corporate Vice President, Global Ecosystem and Channels at Google Cloud. "We're thrilled to recognize HCLTech as our Global Talent Development Partner of the Year for their ability to strengthen skill sets across organizations."

"We are honored to receive these awards from Google Cloud," said Siki Giunta, Executive Vice President, CloudSMART Offerings Strategy, Industry Cloud Consulting, Google Ecosystem Unit, HCLTech. "These awards reflect HCLTech's commitment to development of innovative services by leveraging Google Cloud and helping our clients to enable transformative business solutions."

HCLTech is showcasing its vision of the future and next-level intelligence, including demos of its CloudSMART offerings on Google Cloud and how it helps co-develop next level innovation, simplify cloud and accelerate modernization for its clients, at the [Google Cloud Next '24](#).
