

HCL wins two 2015 CA Technologies Partner Awards

Recognized for innovation and sales teaming

CA WORLD – LAS VEGAS – November 18, 2015—[HCL Technologies](#), a leading global IT services company, was named the winner of CA Partner of the Year awards in the category of innovation and sales teaming. The winners were announced at the CA World '15 Partner Awards Ceremony held last night, at the Mandalay Bay Resort & Casino in Las Vegas.

HCL Technologies was selected as the winner of the CA Technologies Partner of the Year Awards for its ability to drive global innovation and sales teaming in both Infrastructure Management and service management.

“HCL is committed to the joint development of next generation capabilities with our partners, and these two prestigious awards are a testament to that” said Kalyan Kumar, senior vice president & chief technologist - ITO, HCL Technologies. “In today’s digitalized world, HCL’s unique Dry Ice Orchestration and Automation framework delivers truly transformational technology & business outcomes and our partnership with CA forms a critical component that helps us serve customers efficiently and effectively.”

HCL was honored for its partnership in delivering orchestration and automation capabilities to customers around the world, a critical piece of HCL’s 21st Century enterprise framework that delivers experience-centric, outcome based, service oriented, agile and lean IT solutions for hundreds of customers worldwide.

“Together with our partners, we are meeting the rapidly growing needs of customers in the application economy,” said Alyssa Fitzpatrick, senior vice president, CA’s Global Partner Organization. These awards recognize the efforts and achievements of our partners from across the globe. We are pleased to recognize HCL for their outstanding contribution.”

About HCL Technologies

HCL Technologies is a leading global IT services company working with clients in areas that impact and redefine the core of their businesses. Since its emergence on global landscape after its IPO in 1999 and listing in 2000, HCL Technologies, along with its subsidiaries, today operates out of 31 countries and has consolidated revenues of US\$ 6.1 billion, as on 30th September 2015 (on LTM basis). HCL focuses on 'transformational outsourcing', underlined by innovation and value creation, offering an integrated portfolio of services including Enterprise Digitalization, Internet of Things, Engineering Services Outsourcing and Next Generation IT Outsourcing that focuses on transformation-led infrastructure services, applications services and business services. HCL leverages its extensive global delivery capabilities and integrated innovation labs across the world to provide holistic, multi-service delivery in key industry verticals including Financial Services, Manufacturing, Telecommunications, Media, Publishing & Entertainment, Retail & CPG, Life sciences & Healthcare, Oil & Gas, Energy & Utilities, Travel, Transportation & Logistics and Government. With 105,000+ professionals from diverse nationalities, HCL Technologies focuses on creating real value for customers by taking 'Relationships Beyond the Contract'.
