

# HCL

## Offered agility and data scalability

To a renowned financial customer

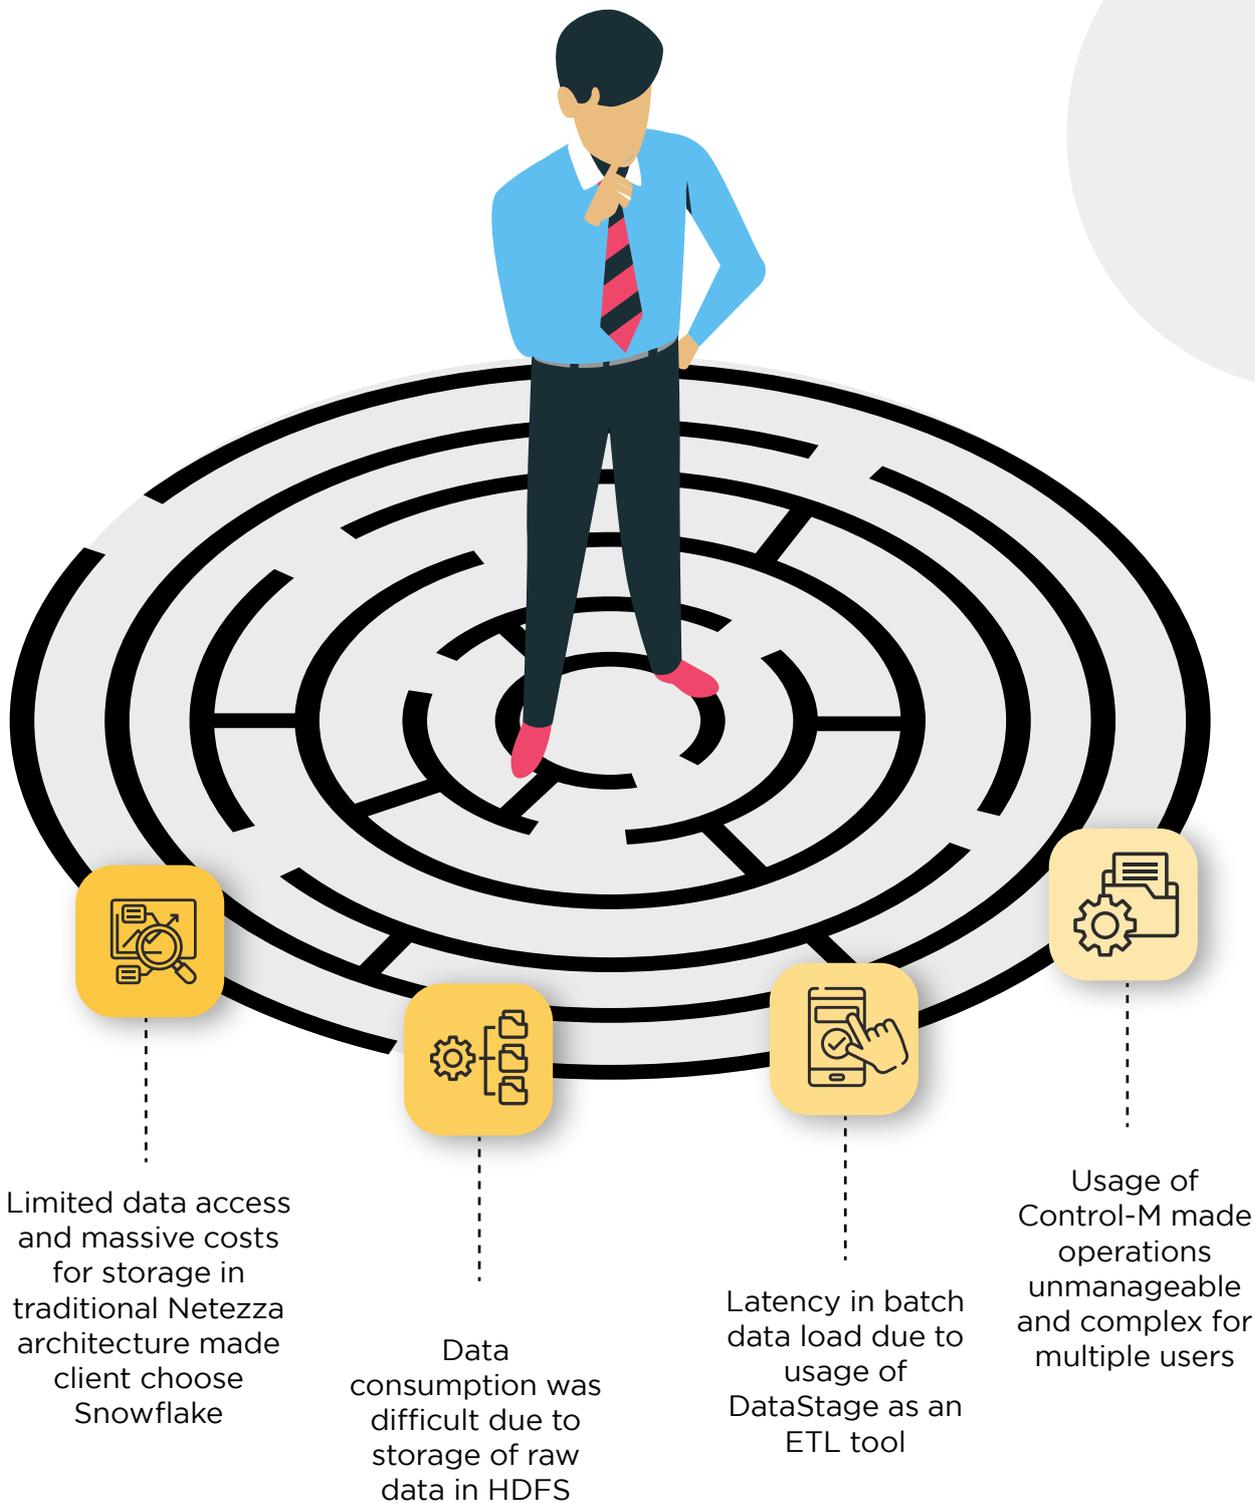

## Client description

The client is a San Antonio, US-based Fortune 500 diversified financial services group of companies, which offers banking, investment, and insurance services to the U.S. military personnel and their families.

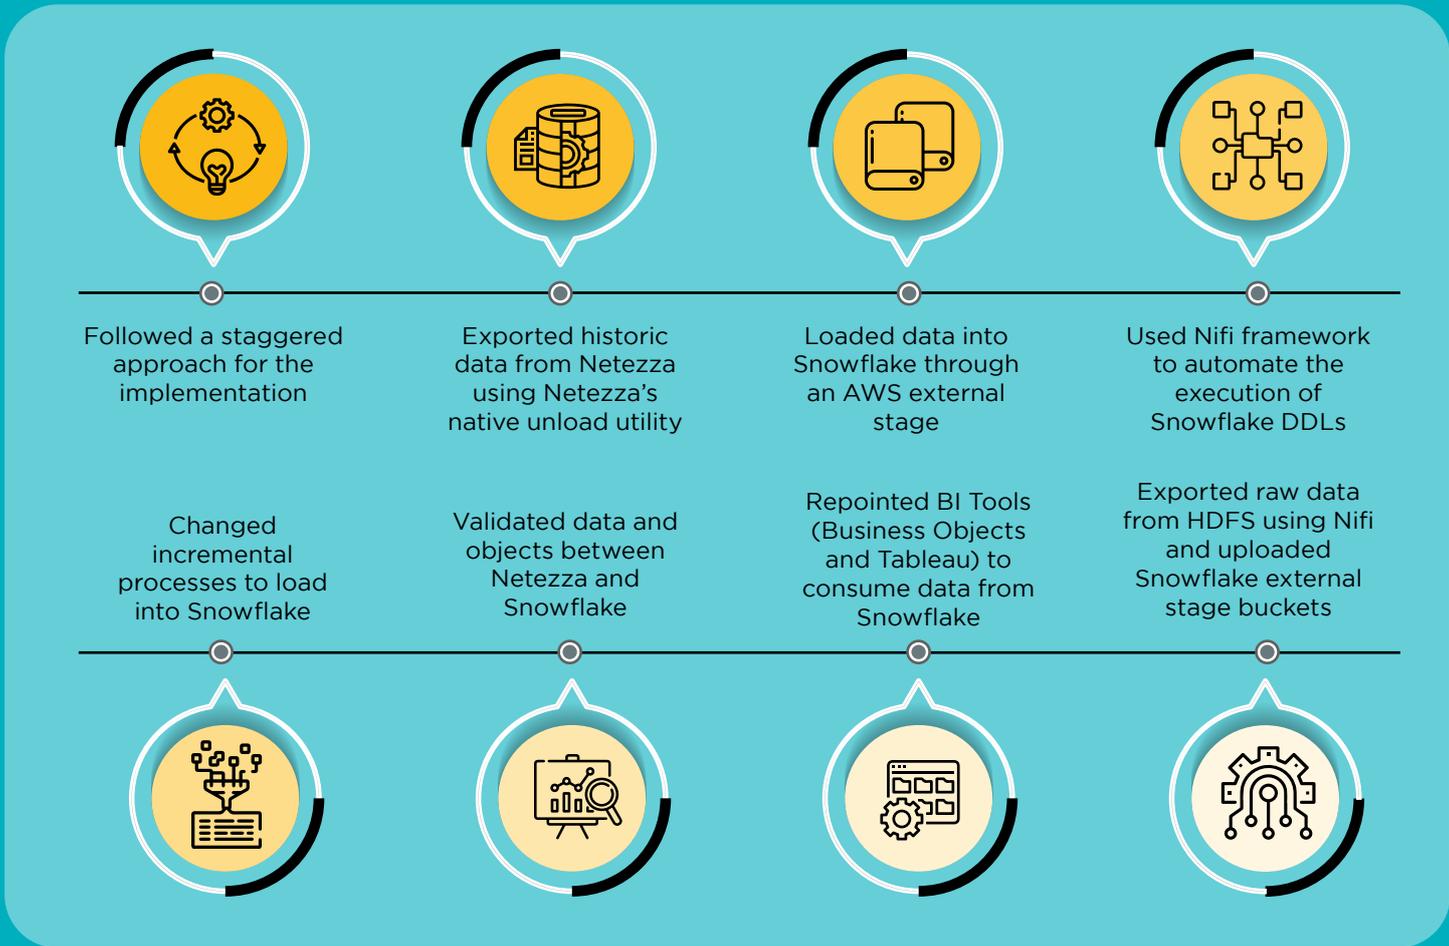

# Business challenges

The client relied on accurate and actionable data to deliver seamless customer experiences. However, the following inefficient and complex data management processes served as a major challenge:-

# Our solution

To help the client move from Netezza and HDFS to Snowflake and streamline its data management process, HCL implemented the following:

# Business impact

HCL Technologies' holistic approach to manage availability, usability, and integrity of data enabled the client to achieve the following business impact:

HCL Technologies (HCL) empowers global enterprises with technology for the next decade today. HCL's Mode 1-2-3 strategy, through its deep-domain industry expertise, customer-centricity and entrepreneurial culture of ideapreneurship™ enables businesses to transform into next-gen enterprises.

HCL offers its services and products through three lines of business - IT and Business Services (ITBS), Engineering and R&D Services (ERS), and Products & Platforms (P&P). ITBS enables global enterprises to transform their businesses through offerings in areas of Applications, Infrastructure, Digital Process Operations, and next generation digital transformation solutions. ERS offers engineering services and solutions in all aspects of product development and platform engineering while under P&P. HCL provides modernized software products to global clients for their technology and industry specific requirements. Through its cutting-edge co-innovation labs, global delivery capabilities, and broad global network, HCL delivers holistic services in various industry verticals, categorized under Financial Services, Manufacturing, Technology & Services, Telecom & Media, Retail & CPG, Life Sciences, and Healthcare and Public Services.

As a leading global technology company, HCL takes pride in its diversity, social responsibility, sustainability, and education initiatives. As of 12 months ending on March 31, 2022, HCL has a consolidated revenue of US \$11.48 billion and its 209,000 ideapreneurs operate out of 52 countries.
