HCL Technologies Named 2007 Sun Meritorious Performance Supplier

HCL Technologies Recognized for Delivering Superior Quality and Value in 17th Annual Sun Supplier Awards Program

October 9th, 2007 – Sunnyvale, CA – HCL Technologies Ltd (“HCL”) was named Meritorious Performance Supplier in Sun Microsystems’ 2007 Supplier Awards program. The Supplier Awards recognize companies that make outstanding contributions to Sun’s record of delivering superior technology, quality service and excellent value to its customers.

“We at HCL are delighted to receive Sun’s Meritorious Performance Supplier Award. It recognizes the transformational value HCL delivers to Sun throughout the alliance in driving services and operational excellence,” said Sandeep Kishore, Senior Vice President, Hi-Tech and Manufacturing at HCL Technologies. “We believe this relationship will grow and we will play a key role in powering Sun’s business transformation through product and services growth.”

The Best-in-Class Award evaluates the performance of all suppliers that delivered a similar product or service and recognizes the highest performer in that area. This award also considers suppliers that demonstrated significant improvement over the course of Sun’s fiscal year. The Meritorious Performance Award recognizes suppliers that have shown exemplary performance in any specific area.

“Sun’s direct-to-customer model means we rely heavily on the support and determination of our supply base,” said Eugene McCabe, executive vice president of Worldwide Operations at Sun. “We congratulate the top suppliers that are helping us build a reputation for record on-time delivery, lead-time performance and superior support.”

About HCL Technologies

HCL Technologies is one of India's leading global IT Services companies, providing software-led IT solutions, remote infrastructure management services and BPO. Having made a foray into the global IT landscape in 1999 after its IPO, HCL Technologies focuses on Transformational Outsourcing, working with clients in areas that impact and re-define the core of their business. The company leverages an extensive global offshore infrastructure and its global network of offices in 17 countries to deliver solutions across select verticals including Financial Services, Retail & Consumer, Life Sciences & Healthcare, Hi-Tech & Manufacturing, Aerospace and Automotive, Telecom and Media & Entertainment (M&E). For the year ended 30th June 2007, HCL Technologies, along with its subsidiaries, had revenues of US\$ 1.4 billion (Rs. 6034 crores) and employed 42,000 professionals.
