PRESS RELEASE

HCL Technologies announces Exclusive Sponsorship of the Enterprise Architecture Summit at Oracle OpenWorld 2012

Sunnyvale, Calif., October 1st 2012 - HCL Technologies (HCL), a Platinum level member in Oracle PartnerNetwork (OPN), announced today that its Enterprise Applications Services Division (EAS) will be a Grande sponsor of Oracle OpenWorld 2012 and an exclusive sponsor of the Enterprise Architecture Summit.

Globally renowned for innovation and leading management philosophy of 'Employees First and Customers Second', HCL Technologies will share expertise on how to 'Accelerate Value' at the annual event. **Steve Lanchak, Senior Vice President & Global Oracle Leader, EAS** said, "HCL is proud to be a Grande Sponsor of Oracle OpenWorld. Our team will be presenting best practices and ideas on how clients can accelerate the value of their Oracle investments. From HCL speaking sessions on enterprise architecture to building an intuitive supply chain, our Oracle team is focused on driving business value. Additionally, we will display our latest tools and solutions at our Oracle Mobility Center."

HCL's exclusive, invitation only sponsorship of the Enterprise Architecture Summit will focus on our expertise in facilitating business change and accelerating value in this increasingly complex field. HCL will showcase how organizations can accelerate the value of their Oracle investments through innovation in the areas of; managing Oracle upgrades, gaining greater value through application managed services, innovations in the intelligent supply chain, better control of trade promotion management, optimizing product safety and clinical operations and the latest advancements in business analytics and optimization. Additionally, HCL's Oracle mobility center at booth #921 will showcase five solution demonstration pods on Service Execution, Oracle Fusion Human Capital Management (HCM), Life Sciences, Consumer Goods and Big Data.

Greg Palesano, Executive Vice President, Head of Americas, EAS said, "HCL's client base is looking to HCL's EAS division as a transformational partner in the Oracle space. Our benefits driven approach is helping clients change their business. HCL is focusing on business solutions powered by Oracle technology to drive tangible benefits to the business."

HCL's Oracle practice has achieved over 20 Specializations, including 9 Advanced Specializations and has been one of the only Global Systems Integrators recognized as an Oracle Enablement 2.0 Delivery Partner, authorized to train other partners using the Oracle-supplied Partner Boot Camp curriculum materials.

About HCL Technologies

HCL Technologies is a leading global IT services company, working with clients in the areas that impact and redefine the core of their businesses. Since its inception into the global landscape after its IPO in 1999, HCL focuses on 'transformational outsourcing', underlined by innovation and value creation, and offers integrated portfolio of services including software-led IT solutions, remote infrastructure management, engineering and R&D services and BPO. HCL leverages its extensive global offshore infrastructure and network of offices in 26 countries to provide holistic, multi-service delivery in key industry verticals including Financial Services, Manufacturing, Consumer Services, Public Services and Healthcare. HCL takes pride in its philosophy of 'Employees First, Customers Second' which empowers our 84,319 transformers to create a real value for the customers. HCL Technologies, along with its subsidiaries, had consolidated revenues of US$ 4.2 billion (21,031 crores), as on 30 June 2012 (on FY'12 basis). For more information, please visit www.hcltech.com
