# Strategic report

For the year ended 31 March 2022

## Introduction

The directors present their Strategic Report for the year ended 31 March 2022.

## Principal activities

The company is providing invoicing and collection services to its fellow group companies and is acting as an agent for fellow group companies that are providing services associated with IT consultancy & engineering services, to the end customer.

## Review of business

The results of the company:

	31 March 2022	31 March 2021
	\$000	\$000
Turnover	<u>246</u>	<u>113</u>

Given the Company's principal activities described above, there are no financial or non-financial KPIs that management monitor.

## Principal risks and uncertainties

The IT and IT enabled industry thrives on a dynamic and highly competitive business environment, characterised by rapid technological changes and innovations that constantly challenge conventional business models. The Company faces several risks of which prominent ones are discussed below along with the Company's strategy to mitigate these risks.

The UK left the EU on the 31st December 2020. Aside from resultant foreign exchange movements, this did not have any adverse impact on the company's business so far and management will further follow up if any measures are necessary to reduce potential business risk.

## Business continuity risk

### Risk

The Company is providing invoicing and collection to its fellow group companies and therefore is dependent upon the fellow group companies for business continuity.

### HCL's strategy

The HCL Group has put in place a comprehensive business continuity program to ensure that it meets its business continuity and disaster recovery related requirements, therefore the company perceives that the business continuity risk is not material.

HCL Technologies Corporate Services Limited

## Strategic report (continued)

For the year ended 31 March 2022

### Financial Instruments

The company is providing invoicing and collection services to its fellow group companies and is acting as an agent for fellow group companies. The credit and liquidity risk on account of non-payment by the end customers is borne by fellow group companies. Therefore, there is no risk related to financial instruments.

### Impact of Covid

There is no impact of Covid on the operations of the company during the financial year.

This report was approved by the board of directors on 05 July 2022 and signed on its behalf.

Shiv Kumar Walia  
Director

Rahul Singh  
Director

HCL Technologies Corporate Services Limited

## Directors' report

For the year ended 31 March 2022

The directors present their report and the financial statements for the year ended 31 March 2022.

### Results and Dividends

The Profit for the year, after taxation is \$9,244 (2021-\$4,366).

The company has not made any political and charitable contributions during the year.

During the year, the Company did not declare any dividend (2021- Nil).

### Directors

The directors who served during the year and to the date of the approval of the financial statements were:

Mr. Shiv Kumar Walia

Mr. Rahul Singh

Mr. Ajit Kumar

There is no appointment or retirement of director during the year.

### Future Developments

The company provides invoicing and collection services to its fellow group companies and is acting as agent for those fellow group companies that are providing IT consultancy and engineering services to the end customer. The same arrangement is expected to continue for the foreseeable future

### Going Concern

The financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons. The directors have made an assessment of future cash flows for a period of 12 months from the date of approval of these financial statements which indicate that, taking account of reasonably possible downsides, the company will have sufficient funds, either through its operations or funding from its ultimate parent company, HCL Technologies Limited, to meet its liabilities as they fall due for that period.

HCL Technologies Limited has indicated its intention to continue to make available such funds as are needed by the company for the period covered by the forecasts. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Consequently, the directors are confident that the company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

HCL Technologies Corporate Services Limited

## Directors' report (continued)

For the year ended 31 March 2022

### Financial instruments

Details of financial instruments are provided in the strategic report.

### Disclosure of information to auditor

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- director has taken all the steps that ought to have been taken as a director in order to be aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

### Reappointment of auditor

The Auditor, KNAV are deemed to be reappointed under sec 487(2) of Companies Act 2006.

This report was approved by the board of directors on 05 July 2022 and signed on its behalf.

Shiv Kumar Walia  
Director

Rahul Singh  
Director

## Statement of Directors' Responsibilities in respect of the Strategic Report, the Directors' Report and the Financial Statements

For the year ended 31 March 2022

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

**HCL Technologies Corporate Services Limited**  
**Independent Auditor's Report to the Members of HCL Technologies Corporate**  
**Services Limited**

**Opinion**

We have audited the financial statements of HCL Technologies Corporate Services Limited (the 'company') for the year ended 31 March 2022, which comprise the Statement of Profit and Loss and Other Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2022 and of its profit for the year then ended;
  - have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the director's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the original financial statements were authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**Other information**

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

**HCL Technologies Corporate Services Limited**  
**Independent Auditor's Report to the Members of HCL Technologies Corporate**  
**Services Limited**

**(continued)**

We have nothing to report in this regard.

**Opinion on other matter prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic Report and Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and Directors' Report have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of directors**

As explained more fully in the Statement of Directors' Responsibilities [set out on page 5], the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**HCL Technologies Corporate Services Limited**  
**Independent Auditor's Report to the Members of HCL Technologies Corporate**  
**Services Limited**

**(continued)**

**Extent to which the audit is capable of detecting irregularities, including fraud**

We design our procedures so as to obtain sufficient appropriate audit evidence that the financial statements are not materially misstated due to non-compliance with laws and regulations or due to fraud or error.

We are not responsible for preventing non-compliance and cannot be expected to detect noncompliance with all laws and regulations – this responsibility lies with management with the oversight of the Directors.

Based on our understanding of the Company and industry, discussions with management, we identified Companies Act 2006, Financial Reporting Standard 102 and UK taxation legislation as having a direct effect on the amounts and disclosures in the financial statements.

As part of the engagement team discussion about how and where the Company's financial statements may be materially misstated due to fraud, we did not identify any areas with an increased risk of fraud.

Our audit procedures included:

- enquiry of management about the Company's policies, procedures and related controls regarding compliance with laws and regulations and if there are any known instances of non-compliance;
- examining supporting documents for all material balances, transactions and disclosures;
- review of the Board of directors minutes;
- enquiry of management of any legal matters;
- evaluation of the selection and application of accounting policies related to subjective measurements and complex transactions;
- testing the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements; and
- review of accounting estimates for biases

Owing to the inherent limitations of an audit, there is an unavoidable risk that some material misstatements of the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

The potential effects of inherent limitations are particularly significant in the case of misstatement resulting from fraud because fraud may involve sophisticated and carefully organised schemes designed to conceal it, including deliberate failure to record transactions, collusion or intentional misrepresentations being made to us.

A further description of our responsibilities is available on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**HCL Technologies Corporate Services Limited**

**Services Limited**

(continued)

**Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

# Notes to the financial statements

For the year ended 31 March 2022

## 1. Company information

HCL Technologies Corporate Services Limited is a company incorporated in England. The registered office is Axon Centre, Church Road, Egham, Surrey, TW20 9QB United Kingdom.

## 2. Accounting policies

These financial statements have been prepared in accordance with FRS 102 'The Financial Reporting Standard Applicable in the UK and Republic of Ireland' and Companies Act 2006 under the historical cost convention.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

The Company's functional and presentational currency is US Dollars (USD). Monetary amounts in these financial statements are rounded to the nearest thousand \$.

The financial statements contain information about HCL Technologies Corporate Services Limited as an individual Company and are not consolidated financial statements. The Company is exempt under section 401 of the Companies Act 2006 from the requirement to prepare group financial statements as it is included in the group financial statements of its ultimate parent company, HCL Technologies Limited, a Company incorporated in India, which are publicly available at <https://www.hcltech.com>.

### 2.1 Financial reporting standard 102 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.
- the requirements of Section 11 Basic Financial Instrument.

This information is included in the consolidated financial statements of HCL Technologies Limited as at 31 March 2022 and these financial statements may be obtained from the Registrar of companies in India.

### 2.2 Going concern

The financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons. The directors have made an assessment of future cash flows for a period of 12 months from the date of approval of these financial statements which indicate that, taking account of reasonably possible downsides, the company will have sufficient funds, either through its operations or funding from its ultimate parent company, HCL Technologies Limited, to meet its liabilities as they fall due for that period.

## Notes to the financial statements

For the year ended 31 March 2022

### 2. Accounting policies (continued)

#### 2.2 Going concern (continued)

HCL Technologies Limited has indicated its intention to continue to make available such funds as are needed by the company for the period covered by the forecasts. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Consequently, the directors are confident that the company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

#### 2.3 Turnover

The company provides invoicing and collection services to its fellow group companies and is acting as agent for those fellow group companies that are providing IT consultancy and engineering services to the end customer. The company does not contribute to the fulfillment of the service provided to the end customers. The company earns a fee based on the costs it incurs.

#### 2.4 Financial instruments

The Company enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable.

Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received. However, if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

Financial assets and liabilities are offset and the net amount reported in the Statement of financial position when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

Short term creditors are measured at the transaction price. Other financial liabilities including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

# Notes to the financial statements

For the year ended 31 March 2022

## 2. Accounting policies (continued)

### 2.5 Foreign currency translation

The financial statements of the company are presented in US Dollars (USD).

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Foreign-currency denominated monetary assets and liabilities are translated to the relevant functional currency at exchange rates in effect at the balance sheet date. Exchange differences arising on settlement or translation of monetary items are realised in the statement of profit and loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of initial transaction.

Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

Transaction gains or losses realised upon settlement of foreign currency transactions are included in determining net profit for the year in which the transaction is settled. Turnover, expense and cash-flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

### 2.6 Interest income

Interest income is recognised in the statement of profit and loss and other comprehensive income using the effective interest method.

### 2.7 Current and deferred taxation

The tax expense for the year comprises current and deferred tax. Tax is recognised in the statement of profit and loss and other comprehensive income, except that a change attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

Deferred balances are recognised in respect of all timing differences that have originated but not reversed by the Statement of financial position date, except that:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits; and
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met.

## Notes to the financial statements

For the year ended 31 March 2022

### 2. Accounting policies (continued)

#### 2.7 Current and deferred taxation (continued)

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair values of liabilities acquired and the amount that will be assessed for tax. Deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

#### 2.8 Finance costs

Finance costs are charged to the statement of profit and loss and other comprehensive income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount.

### 3. Judgments in applying accounting policies and key sources of estimation uncertainty

The preparation of financial statements in conformity with FRS102 requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, turnover, costs, expenses and other comprehensive income that are reported and disclosed in the financial statements and accompanying notes. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Significant estimates and assumptions are used as follows:

Since the entity is providing invoicing and collection services to its fellow group companies, there are no significant estimates and assumptions.

### 4. Turnover

Turnover represents amounts (excluding value added tax) derived from provision of invoicing and collection services to fellow group companies.

Turnover by geographical market

	Year ended 31 Mar 2022	Year ended 31 Mar 2021
	\$000	\$000
India	<u>246</u>	<u>113</u>
	<u>246</u>	<u>113</u>

## Notes to the financial statements

For the year ended 31 March 2022

**5. Operating profit**

The operating profit is stated after charging

	Year ended 31 Mar 2022	Year ended 31 Mar 2021
	\$000	\$000
Fees payable to the Company's auditor and its associates for the audit of the Company's annual accounts	5	6
	<u>5</u>	<u>6</u>

**6. Employees**

The average monthly no. of employees during the year was Nil (2021-Nil).

**7. Director's remuneration**

All the directors of the company are also directors of other group companies within the HCL Technologies Limited group and are also employees of its ultimate parent undertaking as set out in the notes to the accounts. All of these companies together are viewed as one business unit and their remuneration is paid by the ultimate parent undertaking. The directors believe that remuneration applicable towards efforts for this company is negligible.

The company has no key management personnel other than the directors.

**8. Interest payable and similar charges**

	Year ended 31 Mar 2022	Year ended 31 Mar 2021
	\$000	\$000
Bank Charges	25	19
	<u>25</u>	<u>19</u>

**9. Tax on profit**

	Year ended 31 Mar 2022	Year ended 31 Mar 2021
	\$000	\$000
Current tax charge for the year	2	1
Adjustments in respect of previous periods	1	
<b>Total tax</b>	<u>3</u>	<u>1</u>

## Notes to the financial statements

For the year ended 31 March 2022

### 9. Tax on profit (continued)

Standard rate of corporation tax in the UK of 19% (2021- 19%)

	Year ended 31 Mar 2022	Year ended 31 Mar 2021
	\$000	\$000
Profit before tax	12	5
Profit multiplied by standard rate of corporation tax in the UK of 19% (2021 -19%)	2	1
<b>Effect of :</b>		
Adjustments in respect of previous periods	1	-
Total tax charge for the financial year	<u>3</u>	<u>1</u>

In the 3 March 2021 Budget, it was announced that the UK tax rate will increase to 25% from 1 April 2023. This will have a consequential effect on the company's future tax charge. If this rate change had been substantively enacted at the current balance sheet date, there would be no change, as the company has no deferred tax asset/liability at the balance sheet date.

### 10. Debtors: amounts falling due within one year

	31 Mar 2022	31 Mar 2021
	\$000	\$000
Trade debtors	502,062	322,002
Tax Recoverable	44	-
Other receivables	769	697
	<u>502,875</u>	<u>322,699</u>

Amounts owed by group undertakings are unsecured, interest free and repayable on demand.

### 11. Cash and cash equivalents

	31 Mar 2022	31 Mar 2021
	\$000	\$000
Cash at bank	20,490	57,732
	<u>20,490</u>	<u>57,732</u>

### 12. Creditors: amounts falling due within one year
