## INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders of  
HCL Technologies México, S. de R. L. de C. V.

### OPINION

We have audited the accompanying financial statements of HCL Technologies México, S. de R. L. de C. V. (Company) which comprised the related statement of financial position as of December 31, 2022, statement of comprehensive income, statement of changes in shareholder's equity and statement of cash flows for the year ended, and notes to the financial statements including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of HCL Technologies México, S. de R. L. de C. V. as of December 31, 2022, and their comprehensive income and cash flows for the year ended, in accordance with Mexican Financial Reporting Standards ("MFRS").

### BASIS FOR OPINION

We conducted our audit in accordance with International Standard on Auditing ("ISA's"). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements Section" of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in México according with the "Código de Ética Profesional del Instituto Mexicano de Contadores Públicos" ("IMCP Code"), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### CHANGE IN ACCOUNTING PRINCIPLES

As mentioned in Note C3 and Note F, to the financial statements, the company modified the useful lives of fixed assets and consequently the depreciation rates of some fixed assets were modified beginning January 1, 2020, derived from a change in accounting policies at the corporate level.

As mentioned in Note C4 and Note G, to the financial statements, the Company changed the methodology of lease recognition in the financial statements beginning January 1, 2019, derived from the adoption of IFRS 16, "Leases."

### RESPONSIBILITIES OF MANAGEMENT AND THE MONITORING BODY OF THE ENTITY IN RELATION WITH THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the accompanying financial statements in accordance with Mexican Financial Reporting Standards ("MFRS"), and for

such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Monitoring Body is responsible for overseeing the Company's financial reporting process.

#### AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISA's, we exercise professional judgment and maintain professional skepticism throughout the audit. Also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusion are based on the audit evidence obtained

up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion of the financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with the Monitoring Body regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Among the issues that have been the subject of communication with the company's surveillance body, we determine the most significant the audit of the financial statements of the current period and that are, consequently, the key issues of the audit.

We describe those issues in our audit report unless legal or regulatory provisions prohibit public disclosure of the matter or, in extremely rare circumstances, we determine that an issue should not be communicated in our report because it is reasonably expected that the adverse consequences of doing so would exceed the public interest benefits of that matter.

HCL TECHNOLOGIES MÉXICO, S. DE R. L. DE C. V.

NOTES TO THE FINANCIAL STATEMENTS AT

DECEMBER 31, 2022 AND 2021

(Amounts in Mexican Pesos)

A. HISTORY AND NATURE OF OPERATIONS OF THE COMPANY

The company was created in Mexico City on October 21, 2008 under the name of "Sanpabri, S. de R. L. de C. V." before the notary public number 4 of México City, Felipe Zacarías Ponce with duration of 99 years.

On June 12, 2009 by Extraordinary General Meeting, the shareholders decided to modify the corporate name to "HCL Technologies Mexico, S. de R. L. de C. V."

On November 29, 2009, by Ordinary General Meeting, the shareholders decided to modify the company's main activity being as follows:

- a) The purpose of the company is the purchase, sale, import, export, marketing, distribution, lease and generally all acts of hardware marketing, software and accessories, and providing services related to their installation and operation
- b) To provide consulting and information services about computer and technological issues regarding the development of software and hardware, and can be rendered to any individual or legal entity, private or public nature
- c) Information technology services on the development of software and hardware, data management and administration, equipment, policies, processes, human resources, systems, and storage and everything related to the administration and infrastructure management, outsourcing, and business process outsourcing services, network security, internet professional services, management and administration of network data centers, client servers, information services and assistance regarding to technology issues information, and general consulting services related to these activities.
- d) Implementation, installation and licensing of computer software and hardware, support services and data recovery, technical consulting services and training, and any activities related to supplying software and hardware

B. BASIS OF PREPARATION OF FINANCIAL STATEMENTS

1. **Basis for translation into english.** The accompanying financial statements have been translated from spanish into english for use outside of Mexico. These financial statements are presented on the basis of Mexican Financial Reporting Standards (MFRS). Certain accounting practices applied by the Company that conform with MFRS may not conform with accounting principles generally accepted in the country of use.
2. Comparative figures have been reclassified in the 2022 Financial Statements for the purpose of better presentation; also certain reclassifications have been made to the 2021 financial statements to enhance comparability with the current year's financial statements, as a result, certain line items have been

amended in the Statement of Financial Position, Statement of Comprehensive Income, statement of cash flow and the related notes to the financial statements.”

3. **Monetary unit the financial statements.** The financial statements and notes as of December 31, 2022 and 2021 for the years then ended include balances and transactions denominated in Mexican pesos of different purchasing power.
4. **The applicable financial reporting framework.** The accompanying financial statements have been prepared in full with the provisions of Mexican Financial Reporting Standards (MFRS), for a fair presentation of the financial position of the company at December 31, 2022 and 2021 and fulfillment statements of comprehensive income, changes in shareholder’s equity and cash flows for the years ended on those effective dates.
5. **Statement of comprehensive income.** The company has considered that the structure of the statement of comprehensive income that best reflects the essence of it is operations is by nature, since it is a common practice of the economic sector to which the entity belongs and allows to know the most important expenses related to their social object.

In addition, for a better analysis of your financial situation, the company has considered necessary to show the amount of operating income separately in the statement of comprehensive income, because such information is a common disclosure practice sector to which it belongs the entity.

6. **Issuance of the financial statements.** The accompanying financial statements have been prepared specifically for presentation to the Board of Directors and Shareholders and to comply with statutory requirements that apply to the company.

Also, the accompanying financial statements and their notes were authorized for issuance on February 20, 2023, by Jorge Sergio Pérez Ortega, legal representative.

7. **Effects of inflation.** To December 31, 2022 and 2021 of the accompanying financial statements, figures are presented in historical Mexican pesos, since the company was created after January 01, 2008.

In accordance with the guidelines of MFRS B-10 “Effects of Inflation”, from January 01, 2008 recognizing the effects of inflation on the financial information (of inflationary accounting) was suspended because the Mexican economy is in a non-inflationary environment by maintaining an accumulated inflation of the past three years less than 26% (threshold for an economy to be considered non-inflationary).

Following are percentages of inflation:

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
For the year	7.82%	7.36%
Accrued over the last three years	13.34%	10.81%

8. **Currency recording, functional and reporting.** According with the provisions of the MFRS B-15, it has been identified that the company has the following currencies:

<u>Type</u>	<u>Currency</u>	
	<u>2022</u>	<u>2021</u>
Recording	Mexican pesos	Mexican pesos
Functional	American dollars	American dollars
Reporting	Mexican pesos	Mexican pesos

### C. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

MFRS require the use of certain critical accounting estimates in preparing financial statements. Also, the exercise of judgment by management in the process of defining the accounting policies of the company are required.

In the following significant accounting policies are summarized, which have been applied consistently in the years presented, unless otherwise specified.

1. **Cash and cash equivalents.** Cash and cash equivalents include cash on hand, bank deposits available for operations and other short-term investments of high liquidity with original maturities of three months or less, all of which are subject to insignificant risk of changes in value and maintain a high credit quality. Bank overdrafts are presented as loans as a part of the current liabilities.
2. **Accounts receivable.** Accounts receivable are recorded when considering an accrual the operation that gave rise and express themselves to the nominal value of the transaction that originates it or contract that backs them. On December 31, 2022 and 2021, the company has registered an estimate for doubtful accounts amounting to \$20,734,612 and \$11,228,873, respectively. During exercise that finished in this date, the company increased the estimate in the amount of \$9,505,739 and \$1,590,433, respectively. On December 31, 2022 and 2021, the policy pursued by the company to consider an account of doubtful recovery is to consider the 100% of the portfolio with 360 days old, taking into account historical experience and specific identification of balances. See analysis of accounts receivable in Note E.
3. **Furniture and equipment.** Furniture and equipment are expressed at acquisition cost. Depreciation is calculated using the straight-line method, based on the useful lives of the assets, estimated by the administration of the company. The method of depreciation is reviewed at the end of each period. See analysis of furniture and equipment in Note F.

The depreciation rates used are the follows:

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Leasehold improvements	10%	10%
Computer equipment	20%	20%
Furniture and equipment	14%	14%

4. **Leases (as lessee).** As of December 31, 2018, the classification of leases as finance or operating depended on the substance of the transaction rather than the form of the contract.

Leases in which a significant portion of the risks and rewards relating to the leased property are retained by the lessor were classified as operating leases. Payments made under operating leases (net of incentives received by the lessor) were recognized in the consolidated statement of income based on the straight-line method over the lease period.

The Company adopted IFRS 16 "Leases" in effect as of January 1, 2019.

IFRS 16, Leases, supersedes IAS 17, Leases, and the related interpretations. This new standard brings most leases on balance sheet for lessees under a single model, eliminating the distinction between operating and financial leases, while the model for lessor remains without significant changes. IFRS 16 is effective beginning January 1, 2019, and the Company decided to adopt it with the recognition of all the effects as of that date, without changing prior years, therefore, the financial information at and

for the year ended December 31, 2018 it is not comparative in some terms or indicators of the statement of financial position and the statement of income for the year ended December 31, 2019.

Under IFRS 16, lessees will recognize a right-of-use asset and the corresponding lease liability. The right of use will be depreciated based on the contractual term or, in some cases, on its economic useful life. On the other hand, the financial liability will be measured at initial recognition, discounting future minimum lease payments at present value according to a term, using the discount rate that represents the lease funding cost; subsequently, the liability will accrue interest through maturity.

The Company will apply the exemptions to not to recognize an asset and a liability as described above, for lease agreements with a term of less than 12 months (provided that they do not contain purchase or term renewal options). Therefore, payments for such leases will continue to be recognized as expenses within operating income.

The Company adopted IFRS 16 on January 1, 2019; therefore, it recognized a right-of-use asset and a lease liability of \$86,183,170.

In addition, the Company adopted and applied the following practical expedients provided by IFRS 16 for the transition date:

- Account for as leases the payments made in conjunction with the rent and that represent services (for example, maintenance and insurance).
  - Create portfolios of contracts that are similar in terms, economic environment and characteristics of assets, and use a funding rate by portfolio to measure leases.
  - For leases classified as financial leases as of December 31, 2018, and without elements of minimum payment updating for inflation, maintain the balance of the right-of-use asset, and its corresponding lease liability on the date of adoption of IFRS 16.
5. **Impairment of long-lived assets and their disposal.** Furniture and equipment are subject to annual impairment test only when signs of deterioration are identified. Not been a study to determine the value in use of long-life assets, since there are other factors which indicate that signs of deterioration there are no in those assets.
6. **Liabilities.** Liabilities payable by the company and the provisions of liability recognized in the statement of financial position, represent obligations present in which outflow of economic resources is likely to settle the obligation. These provisions have been accounted for, used under the best reasonable estimate made by the administration to settle the present obligation, however, actual results could differ from recognized provisions.
7. **Benefits to employees.** Liabilities by staff seniority premiums are considered in defined-benefit plans, the cost of such benefits is determined using the method of unit credit projected, with actuarial valuations performed at the end of each reporting period that is. Actuarial the gains and losses are recognized immediately in the other items of the comprehensive income net deferred tax, according to the asset or net liability recognized in the statement of financial position, to reflect the surplus (or deficit) of the benefit plan to employees; While services costs are recognized in income when the modification of the plan or when the costs are incurred for restructuring.

Postretirement benefit obligations recognized in the statement of financial position, represent the present value of the defined benefit obligation, adjusted earnings and actuarial losses and past service costs, less the fair value of the plan assets.

When the assets of the plan outweigh the liabilities of the plan for defined benefits, is the asset value to the lesser of: i) the surplus in defined benefit plan, and ii) the present value of any economic benefits available in the form of refunds from the plan or reductions in future contributions to the same. See analysis of benefits to employees in the Note I.

8. **Deferred employee's statutory profit sharing.** Is recorded based on the method of assets and liabilities, which consist in recognizing a deferred employee's statutory profit sharing for all differences between ledger and profit sharing plan value of the assets and liabilities in which is likely it is payment or recovery.
9. **Income tax deferred.** The income tax is recorded based on the method of assets and liabilities with a holistic approach, which is to recognize a tax deferred for all temporary differences between the accounting and tax values of assets and liabilities that are expected to materialize in the future, the rates enacted in the tax provisions in force at the date of the financial statements. See analysis of taxes in Note L.
10. **Comprehensive income.** Comprehensive income is represented by: 1) net income, 2) other comprehensive income (OCI), and 3) participation in the ORI of other entities. At December 31, 2022 and 2021 do not have additional items to net income for the year.
11. **Exchange differences.** Transactions in foreign currency are recorded initially in the recording currency, at the rate of exchange in effect on the date of the transaction. Assets and liabilities denominated in foreign currency are converted at the rate of exchange in effect on the balance sheet date. Differences arising from fluctuations in exchange rates between the dates on which transactions are entered into and those on which they are settled, or valuation at the year-end closing, are recorded in income as a component of comprehensive financing result (CFR). See analysis of exchange differences in Note D.

#### D. FOREIGN CURRENCY POSITION

**Foreign currency position.** At December 31, 2022 and 2021, the company had assets and liabilities in american dollars, as shown below:

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Assets	Usd. 25,032,649	Usd. 30,811,628
Liabilities	<u>(19,899,624)</u>	<u>(15,247,992)</u>
Net active position in US dollars	<u>Usd. 5,133,025</u>	<u>Usd. 15,563,636</u>

As December 31, 2022 and 2021, the exchange rate was \$19.3615 and \$20.5157 per U.S. dollar, respectively. As February 20, 2023, date of issuance of the financial statements, the exchange rate was \$18.3970 per U.S. dollar.

At December 31, 2022 and 2021 the company had not hire a hedge against exchange risks.

E. ANALYSIS OF ACCOUNTS RECEIVABLE

#### I. BENEFITS TO EMPLOYEES

The company has plans for payments by retirement, death or total disability, its personnel not unionized in the majority of its subsidiaries, and for payments for seniority premium for all its personnel, in accordance with provisions in contracts of employment. On liabilities and the annual cost of benefits are calculated by an independent actuary in accordance with conditions defined in the plans, using the unit credit method. The present values of these obligations and the rates used for the calculation are:

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Obligation for benefits not acquired	\$ 42,210,167	\$ 26,615,119
Obligation for benefits acquired	<u>3,685,876</u>	<u>10,532,448</u>
<b>Liability net projected</b>	<b><u>\$ 45,896,043</u></b>	<b><u>\$ 37,147,567</u></b>

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Nominal rates used in actuarial calculations:		
Legal minimum salary progression	10.10%	15.00%
Discount rate	9.03%	7.93%
Inflation rate	3.50%	3.50%
Minimum wage	\$ 207.44	\$ 172.87

#### J. CONTINGENCIES

The liabilities for loss contingencies are recorded when it is probable that their effects will materialize, and there are reasonable elements for quantification. If there are no reasonable elements, a qualitative disclosure is included in the notes of the financial statements. Contingencies revenues, earnings and assets are not recognized until it is certainty of realization.

According with the current tax law, the Authority are entitled to examine five fiscal years prior to the last income tax return filed, in the case that the Authority review the calculations and contributions that the company is obligated to, could determine differences derived from the rejection of amounts or difference of the law interpretation, requiring the collection of taxes, accessories and fines that could proceed.

2. **Legal reserve.** The profit for the period is subject to the legal provision requiring at least 5% of the profit for each period to be set aside to increase the legal reserve until it reaches an amount equivalent to 20% of the capital stock.
3. **Dividend tax.** The dividends that are paid to be free from income tax if they come from the net tax profit account (CUFIN). Dividends exceeding such CUFIN will cause a tax equivalent to the 42.86% if they are paid by 2022. The tax caused tax will be paid by the company and may be credited against the income tax of the exercise or the two exercises immediate following. Paid dividends coming from utilities previously taxed by the income tax, will not be subject to any retention or additional payment of taxes for the company. Shareholders who receive dividends, must be subject to the current tax provisions, which currently require the company make a retention of the dividend paid; this tax is considered definitive and cannot be credited.

#### L. ANALYSIS OF TAXES

1. **Income tax.** In 2022 and 2021 the company determined an tax profit of \$343,562,658 and \$202,406,470, respectively. The fiscal result differs from the accounting profit due to temporary and permanent differences, latter caused basically by the tax recognition of the effects of inflation and non-deductible expenses. Income tax for the year is determined by applying the current existing rate of 30% at result. Such a result is determined by the procedures established in the income tax act requiring that cumulative revenues authorized deductions will decrease them.

The provision for income tax in 2022 and 2021 is analyzed as shown below:

<u>Income tax provisions</u>	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Current	\$ 103,068,797	\$ 60,721,941
Difference for the year 2021	3,685,824	13,672,193
Deferred	<u>(1,842,912)</u>	<u>(2,803,465)</u>
	<u>\$ 104,911,709</u>	<u>\$ 71,590,669</u>

The reconciliation between book and taxable income is shown below:

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Profit before income tax	\$ 179,810,149	\$ 107,635,163
Add impact of the following items:		
Accumulated costs and expenses	142,366,068	85,546,118
Non deductibles	9,740,619	4,029,262
Other permanent items	<u>11,645,822</u>	<u>5,195,927</u>
Tax profit	343,562,658	202,406,470
Current income tax rate	<u>30%</u>	<u>30%</u>
Current income tax	<u>\$ 103,068,797</u>	<u>\$ 60,721,941</u>

The effects of the deferred income tax recognition based on MFRS D-4 as shown below:

	<u>December 31,</u>	
	<u>2022</u>	<u>2021</u>
Excess of tax value over book value of assets and liabilities, net	(\$ 78,570,650)	(\$ 84,713,689)
Applicable income tax rate	<u>30%</u>	<u>30%</u>
Deferred income tax (asset)	<u>(\$ 23,571,195)</u>	<u>(\$ 25,414,107)</u>

2. **Employee's statutory profit sharing.** The company is subject to the employee's statutory profit sharing which is calculated applying the procedures established in the income tax law. In 2022 and 2021 the company determined a provision of \$27,409,309 and \$14,920,965, respectively.

#### M. FUTURE IMPACT OF RECENTLY ISSUED ACCOUNTING STANDARDS NOT YET IN EFFECT

The Mexican Council for the investigation and Development of Financial Information Standards (CINIF) issued a series of Financial Information Standards (NIF) and interpretations of NIF (INIF), which will be in force as of the 2023 and 2024 fiscal years. that said NIF and INIF will not have a significant effect on the financial information presented by the company.

## I. Improvements to NIFs

1. Improvements that generate accounting changes
  - a) NIF B-7, Business Acquisitions
  - b) NIF B-15, Conversion of foreign currencies
  - c) NIF D-3, Employee benefits
  - d) NIF B-1, Accounting changes and error corrections
  - e) NIF B-10, Effects of inflation
  - f) NIF B-17, Determination of fair value
  - g) NIF B-6, Statement of financial position (removal of disclosures)
2. Improvements that do not generate accounting changes
  - a) NIF B-3, Statement of comprehensive income
  - b) NIF B-10, Effects of inflation
  - c) NIF B-15, Conversion of foreign currencies
  - d) NIF C-3, Accounts receivable
  - e) NIF C-16, Impairment of financial instruments receivable
  - f) NIF B-6, Statement of financial position
  - g) NIF B-1, Accounting changes and error corrections
  - h) NIF B-17, Determination of fair value
3. Glossary
  - a) Adjustments to definitions

## II. What is new in NIF's that come into force in 2023 and 2024 (relevant aspects)

1. Impairment of Long-Term Assets (NIF C-15)
2. Marco conceptual de las Normas de Información Financiera (NIF A-1)
  - a) 10 Structure of the Financial Reporting Standards
  - b) 20 basic postulates
  - c) 30 Objective of the financial statements
  - d) 40 Qualitative characteristics of the financial statements
  - e) 50 Basic elements of financial statements
  - f) 60 Recognition
  - g) 70 Valuation
  - h) 80 Presentation and revelation
  - i) 90 Suppletory
