

# HCL PARTNERS WITH TECH GIANT

A **Global Technology Conglomerate** was looking to reduce time to market and improve delivery quality. HCL's proven engineering capabilities helped achieve tangible outcomes.

## AN INTELLIGENT APPROACH

Services across Silicon processes; platforms, applications & Cloud; customer and lab management helped HCL augment:

- SoC Design/Verification
- Software Device Drivers
- Post SI Validation & Reference Designs
- Software Stack & Apps
- Testing and Validation

## THE CUSTOMER ACHIEVED
