

COTRUST BLOCKCHAIN PILOT PROGRAM

INTRODUCING HCL'S BLOCKCHAIN PILOT PROGRAM

- The CoTrust Pilot program is a 6-week program offered by HCL that helps organizations to develop a Minimum Viable Product (MVP) using Blockchain. Post MVP development, it also offers CoTrust environment availability and support for 8 weeks for clients to experiment and define the next steps
- This program is driven using a Design Thinking approach which focuses on defining the right problem and generating a use case that solves it
- Outcomes of the program include - a working solution deployed on HCL cloud or any other infra provided by the customer and corresponding code, documentation, process diagrams etc
- The MVP will be developed in an accelerated manner using HCL's CoTrust services
