## CASE STUDIES

### Consultation for an International Bank

**The client:** It is the largest and most famous development bank in NA

**Business Situation:** The Group intends to evaluate a consolidation of its Summit instances with a view to optimize costs, overheads and maintenance associated with its usage of Summit.

**HCL Advantage:**

- Technical feasibility Analysis
- Target Operating Model (TOM)
- Road map for consolidation

**Benefits to the customer:**

- Specialized skills in Consulting for upgrades and consolidation
- Proven Study Methodology with reusable components
- Detailed Analysis & Study Report with timelines and Cost Benefits

### Two phased approach for Summit upgrade from classic v3.8 to Summit FT v5.5

**The client:** A large European Bank based out of Dublin, Ireland. The client is one of the 'Big Four' in both parts of this island.

**Business Situation:**

- An systems integrator to manage the upgrade program
- Test and certify the quality of the upgrade
- Manage product vendor.

**HCL Advantage:**

- 2000 ready summit test cases
- Standard Upgrade Testing Methods
- Automation Testing

**Benefits to the customer:**

- Reduced cost to the customer due to reduced time in resolution of issues
- Effective Risk Management
- Complete support to the client in terms of project management and production movement

### Transaction & Operations Support for a Fortune 50 Global Bank

**The client:** Global financial service company headquartered in Frankfurt, Germany.

**Business Situation:**

A dedicated transaction and operations support team (18\*5) across Geographies. Maintenance and Defect resolution for Summit 2.6 and 3.8. Both versions not supported by the Product Vendor.

**HCL Advantage:**

- Application support
- Problem Management
- Critical process monitoring
- critical tasks & report Automation

**Benefits to the customer:**

- Best Technical and Functional expertise in product enhancement and development
- Reduced cost to the customer due to reduced time in resolution of issues
- Effective Risk Management
- Complete support to the client in terms of project management and production movement
