

Leading UK beverages producer

A case study

The client

One of the leading branded soft drink businesses in Europe and is a constituent of the FTSE 250 index.

Business objectives

Establish enterprise wide integration platform to enable API-led services and integrations that are characterized by consistent and standard patterns, a high level of reusability and self-serviceability

Digital transformation initiative to modernize ways of integration with channels and partners

Integration platform to support hybrid integration patterns and flexible deployment options

Solution delivered

Platform to achieve EDI agility by being able to do EDI format transformations and mappings rather than being dependent on GXS

Reduced licensing cost by migrating from Biztalk to Dell Boomi with transformation (in process)

Build reusable foundation services layer with efficient DevOps to reduce total time of interface development by up to 30%

Systems and connectors

Majors systems integrated include on premise systems like SAP, databases and SaaS applications like SuccessFactors, Concur, Workday to name a few (in progress)

SAP Connector, Azure Service Bus Connector, SFTP, DB, HTTP, AWS SQS are some of the connectors leveraged to integrate with various enterprise systems (in progress)

HCL

HCL Technologies (HCL) empowers global enterprises with technology for the next decade today. HCL's Mode 1-2-3 strategy, through its deep-domain industry expertise, customer-centricity and entrepreneurial culture of ideapreneurship™ enables businesses to transform into next-gen enterprises.

Life Sciences division of HCL Technologies helps Pharma, Biotech, Medical Devices and CROs reimagine their businesses for the digital age through integrated portfolio of products, solutions, services. Our 10,000+ Life Sciences Ideapreneurs across 43 countries deliver innovation for over 80% of world's leading Life Sciences companies in Research, Clinical, Regulatory, Safety, Commercial, Patient Services, Supply Chain, Manufacturing, Enterprise and IT Management. Our solutions are built around digital, IoT, cloud, automation, cybersecurity, analytics, infrastructure management, and engineering services, among others. Over the years, our Veeva practice along with our subsidiary C3i Solutions' Veeva practice has been working with our clients for many leading transformational and run-the-business initiatives. Contact us at contact.lsh@hcl.com
