### Products And Suites Covered

Products	E-LTU or E-Media available*	Non-production use category
HCLTech USP-M	Yes	Production and non-production licenses are available

\* Any product sold as E-LTU or E-Media shall be delivered electronically regardless of any contrary designation in a purchase order.

### Definitions

Capitalized terms not otherwise defined in this ALA document are defined in the governing agreement.

Term	Definition
<b>E-LTU and E-Media</b>	means products which are electronically delivered only, and as such any reference to FOB Destination or delivery methods that are stated on your purchase order other than electronic shall be null and void with respect to these E-LTU or E-Media products.
<b>LTU</b>	means License To Use.
<b>Geo-redundant</b>	means providing geographic redundancy, over 2 or more physical sites, of the software to enable the implementation and configuration to permit site disaster recovery in case of site failure.
<b>Standby</b>	means a resource which is configured but is not being used to provide a function during normal operation, as opposed to an Active resource which is configured and is being used.
<b>Transaction</b>	means the equivalent of 1 message request-response pair.
<b>Transaction Per Second (TPS)</b>	means the number of Transactions in one second.

## Software Specific License Terms

Software products with software specific license terms are described below.

### HCLTech OpenCall Universal Signaling Platform (USP-M)

The HCLTech OpenCall Universal Signaling Platform (OC USP-M) licenses are based on platform capacity in TPS. The platform could be single server (simplex) or dual server (duplex). Standby (TPS) licenses are needed to enable USP-M platforms at standby site(s) for geo- redundancy. Different licenses are available depending on required capacity.

**For example:**

- HCLTech USP-M 100 TPS LTU – license for 100 TPS
- HCLTech USP-M 100 TPS SY LTU – license for corresponding 100 TPS standby
- HCLTech USP-M Non Commercial LTU – are needed on non-production USP-M platforms planned to be used for test and development purposes only.

## Additional License Terms

### Term

---

- A. HCLTech offers pre-release versions of its software that might include features or full content that is subject to additional modifications by HCLTech prior to full commercial release. These additional terms and conditions (“Tech Preview Additional Terms”) are available at <https://www.hcltech.com/software/licensing> and apply to the licensing and downloading of Software identified as a “Tech Preview Version”. These terms are in addition to HCLTech’s standard End User License Agreement (EULA) or, if applicable, the license terms agreed between HCLTech and you in any agreement with HCLTech you may have related to the production version of the related software.
