HCLTech recognized as the 2025 Global Alliances AI Partner of the Year by Dell Technologies

NEW YORK and NOIDA, India, June 23, 2025—[HCLTech](#), a leading global technology company, has been recognized as the 2025 Global Alliances AI Partner of the Year at Dell Technologies World. This acknowledgement underscores HCLTech's deep expertise in AI, its full-stack innovation capabilities and the continued success of its strategic collaboration with Dell.

HCLTech also received the 2025 Global Alliances EMEA Acquisition Partner of the Year award, further affirming the company's expanding impact across markets and sectors.

"The recognitions from Dell Technologies speak to the power of partnership in driving AI-led transformation," said Anand Swamy, EVP, Head of Tech and ISV Ecosystems, HCLTech. "Together, we are not only building scalable GenAI solutions; we are accelerating business outcomes and reimagining what's possible for our clients in the AI-first world."

HCLTech, in collaboration with Dell and other partners, has launched a suite of AI-driven solutions, including [Hybrid Cloud-as-a-Service](#), [private GenAI deployments](#), [SAP Transformation](#), [Experience-as-a-Service](#) and Intelligent Operations at the Edge.

Recently, the collaboration enabled a comprehensive AI-led transformation of port operations for one of the world's largest marine terminal operators, enabling improved efficiency, safety and decision-making at scale.
