HCLTech wins 2025 ServiceNow Emerging Industry Partner of the Year award

NEW YORK and NOIDA, India, May 6, 2025—[HCLTech](#), a global technology leader, has won the 2025 ServiceNow Emerging Industry Partner of the Year. This award recognizes HCLTech's capabilities in delivering transformative digital solutions and redefining total experience through AI, automation and ServiceNow-powered innovations that improve customer experiences and drive measurable outcomes.

HCLTech's ServiceNow offerings, enhanced with GenAI and Agentic AI capabilities, transform enterprise service management. By integrating cognitive intelligence and adaptive automation, these solutions empower enterprises in BFSI, Manufacturing, IT and Telecommunications to modernize their IT and operations efficiently, make insightful decisions and achieve greater agility and innovation.

HCLTech's deep understanding of emerging industries such as Manufacturing, Financial Services, Life Sciences and Healthcare (LSH), Telecommunications, and more has enabled them to develop and deliver truly impactful solutions that address the unique challenges and opportunities within these sectors. Their expertise and commitment to customer success have earned them the Industry Partner of the Year award, showcasing the transformative power of the Now Platform across diverse industries," said Holly Briedis, Senior Vice President, Global Industry Go To Market, ServiceNow.

"We are honored to be named the 2025 ServiceNow Emerging Industry Partner of the Year. With the growing adoption of GenAI, our partnership with ServiceNow enables enterprises to seamlessly integrate diverse systems, adopt new-age operating models, modernize operations and deliver AI-driven Total Experience (TX) solutions," said Ravi Yeddanapudi, Executive Vice President of Digital Foundation Services at HCLTech.

The 2025 Partner Awards recognize the invaluable contributions of ServiceNow partners in driving innovation and customer success. These awards celebrate excellence across all go-to-market motions—honoring those who lead implementations, manage services, expand market reach and build cutting-edge solutions. By acknowledging global impact and regional expertise, the awards reinforce the power of collaboration in delivering exceptional value to businesses worldwide.

About HCLTech

[HCLTech](#) is a global technology company, home to more than 223,000 people across 60 countries, delivering industry-leading capabilities centered around digital, engineering, cloud and AI, powered by a broad portfolio of technology services and products.
