## HCLTech named a Workday Sales Partner

**NEW YORK and NOIDA, India, July 08, 2025**—[HCLTech](#), a global technology company, announced it has been named a Workday partner. This partnership will help drive broader adoption of AI-led human capital management (HCM) solutions and workforce transformation across enterprises.

As a Workday partner, HCLTech's deep alignment with Workday's ecosystem will help drive Workday adoption among large enterprises via tailored advisory and pre-sales expertise.

HCLTech uses its GenAI-led service transformation platform [AI Force](#) to provide customers with AI insights, automation and predictive analytics. When used in combination with Workday Human Capital Management (HCM), Workday Financial Management, Workday Payroll and Workday Adaptive Planning solutions, customers will have the tools needed to become more agile, scalable and resilient.

"We are excited to embark on this journey with Workday. This partnership is pivotal in our mission to leverage AI, technology and innovation to redefine the future of human capital management. It allows us to deliver exceptional value to our clients and drive future success," said Sadagopan S, Executive Vice President and Global Head of SaaS and Commercial Applications at HCLTech.
