

LICENSE INFORMATION

Program Name:

EnableStudio

The following standard terms apply to Licensee's use of the Program.

Limited Use Right

As described in the HCL Master License Agreement ("Agreement") and this License Information, HCL grants Licensee a limited right to use the Program. This right is limited to the level of Authorized Use or other specified level of use, paid for by Licensee as evidenced in the Proof of Entitlement. Licensee's use may also be limited to a specified machine, or only as a Supporting Program, or subject to other restrictions. As Licensee has not paid for all of the economic value of the Program, no other use is permitted without the payment of additional fees. In addition, Licensee is not authorized to use the Program to provide commercial IT services to any third party, to provide commercial hosting or timesharing, or to sublicense, rent, or lease the Program unless expressly provided for in the applicable agreements under which Licensee obtains authorizations to use the Program. Additional rights may be available to Licensee subject to the payment of additional fees or under different or supplementary terms. HCL reserves the right to determine whether to make such additional rights available to Licensee.

Specifications

Program's specifications can be found in the collective Description and Technical Information sections of the Program's Documentation.

Prohibited Uses

Licensee may not use or authorize others to use the Program if failure of the Program could lead to death, bodily injury, or property, or environmental damage, or for any illegal purposes.

The Program may include some components in source code form ("Source Components") and other materials ("Sample Materials"). Licensee may copy and modify Source Components and Sample Materials for internal use only provided such use is within the limits of the license rights under this Agreement, provided however that Licensee may not alter or delete any copyright information or notices contained in the Source Components or Sample Materials. HCL provides the Source Components and Sample Materials without obligation of support and "AS IS", WITH NO WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING THE WARRANTY OF TITLE, NON-INFRINGEMENT OR NON-INTERFERENCE AND THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Export and Import Restrictions

Transfer to, or use by, users of the Program may be prohibited or subject to export or import laws, regulations or policies, including those of the United States Export Administration Regulations. Licensee assumes all responsibility for complying with all applicable laws, regulations, and policies regarding the export, import, or use of this Program, including but not limited to, U.S. restrictions on exports or reexports

Third Party Data and Services

The Program may contain links to or be used to access third party data services, databases, web services, software, or other third-party content (all, "content"). Access to this content is provided "AS-IS", WITH NO WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING THE WARRANTY OF TITLE, NON-INFRINGEMENT OR NON-INTERFERENCE AND THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Access can be terminated by the

relevant third parties at their sole discretion at any time. Licensee may be required to enter into separate agreements with the third parties for the access to or use of such content. HCL is not a party to any such separate agreements and as an express condition of this license Licensee agrees to comply with the terms of such separate agreements.

The following units of measure may apply to Licensee's use of the Program

Authorized User

Authorized User is a unit of measure by which the Program can be licensed. An Authorized User is a unique person who is given access to the Program. The Program may be installed on any number of computers or servers and each Authorized User may have simultaneous access to any number of instances of the Program at one time. Licensee must obtain separate, dedicated entitlements for each Authorized User given access to the Program in any manner directly or indirectly (for example: via a multiplexing program, device, or application server) through any means. An entitlement for an Authorized User is unique to that Authorized User and may not be shared, nor may it be reassigned other than for the permanent transfer of the Authorized User entitlement to another person.

Program-Unique Terms

The Program and related materials, as such terms are defined herein are hereafter referred to as "Licensed Materials".

Developer User License. A licensed Developer User is a named individual authorized by Customer to access and use the Program pursuant to the provisions of the Agreement.

Primary User License. A licensed Primary User is a named individual authorized by Customer to access and use the Licensed Materials pursuant to the provisions herein and the Agreement.

Program Material License. HCL acknowledges and agrees that HCL may, on request of Customer, or Customer may, perform modifications to the Licensed Materials, including any Documentation, materials, and other information created or provided by HCL (hereinafter referred to as "Program Material"). Such Program Material shall be owned by HCL and licensed to Customer hereunder. Any pre-existing data or other material of Customer used to create or contained within such modifications shall continue to be owned by Customer.

Customer's use of the Licensed Program and Licensed Materials shall not exceed the number of licensed users identified in the "**Quantity**" column in the Program License and Support Order Schedule, as may be amended upon written agreement of the parties.

The Licensed Program may be equipped with a program key file necessary for its operation or activation. HCL shall email the Customer the program key file when the media is shipped to the Customer.
