

HCL Technologies and Duck Creek Technologies Announce Technology Services Partnership

HCL Joins the Duck Creek Global Alliance Program to bring first-class system integration support and software services to customers worldwide

Noida, India and Sunnyvale, CA – 18th May, 2017 – [HCL Technologies](#) (HCL), a leading global IT services company, has joined the Duck Creek Global Alliance Program. As a Delivery Partner, HCL will provide customers with industry-leading application maintenance and technical support solutions to reduce time, risk, and costs during implementation and throughout the lifecycle of the deployed software.

“HCL is proud to partner with Duck Creek to deliver functional expertise and engineering capabilities to industry-leading platforms to help insurers modernize their legacy core applications,” said **Parag Samarth, Corporate Vice President, Financial Services, HCL Technologies**. “HCL's emphasis on customer-centric and digital solutions creates an insurtech experience that differentiates this partnership. I'm excited and looking forward to the future of our partnership with Duck Creek.”

Duck Creek's Global Alliance Program is comprised of delivery, solution, and technology members who play a crucial role in providing complementary software services and solutions to insurers of all sizes. As a Delivery Partner, HCL offers a broad range of capabilities to support initial implementation projects as well as longer-term application maintenance and technology solutions.

“Our agreement with HCL highlights our commitment to partnering with the best service providers in the market to ensure the highest quality projects for all of our customers, no matter which Duck Creek solutions they use,” said **Eddie Jones, Vice President – Strategy And Alliances, Duck Creek Technologies**. “HCL's focus on rapid deployment and efficiency mirror our own. We're looking forward to a great future together.”
