### Value Delivered

## Areas of Engagement

“Working for the past four years with New Delhi-based HCL Technologies Inc., ...virtually bet its future on offshoring. Determined to cut capital costs, improve time to market, and ramp-up quickly to meet explosive growth, .....had, at one point, 166 HCL consultants working on projects across four continents...” – **Group CIO**

How can I help you?

Hello there. I am from HCL Technologies. We work behind the scenes, helping our customers to shift paradigms and start revolutions. We use digital engineering to build superhuman capabilities. We make sure that the rate of progress far exceeds the price. And right now, 60000 of us bright sparks are busy developing solutions for 500 customers in 23 countries across the world.
