

**ENTERPRISE** **YOGA**

# NO

THIS IS NOT JUST YOGA  
It's preparing for.... skydiving!

## LEGACY MODERNIZATION AND CLOUD

HCL and CSC formed a strategic partnership for setting up **Application Modernization Delivery Network (AMDN)** and offer Enterprise YOGA™ to improve flexibility, enhance agility and 'Strengthen your core' IT (not just Abs!) by modernizing Legacy and Cloud enabling.

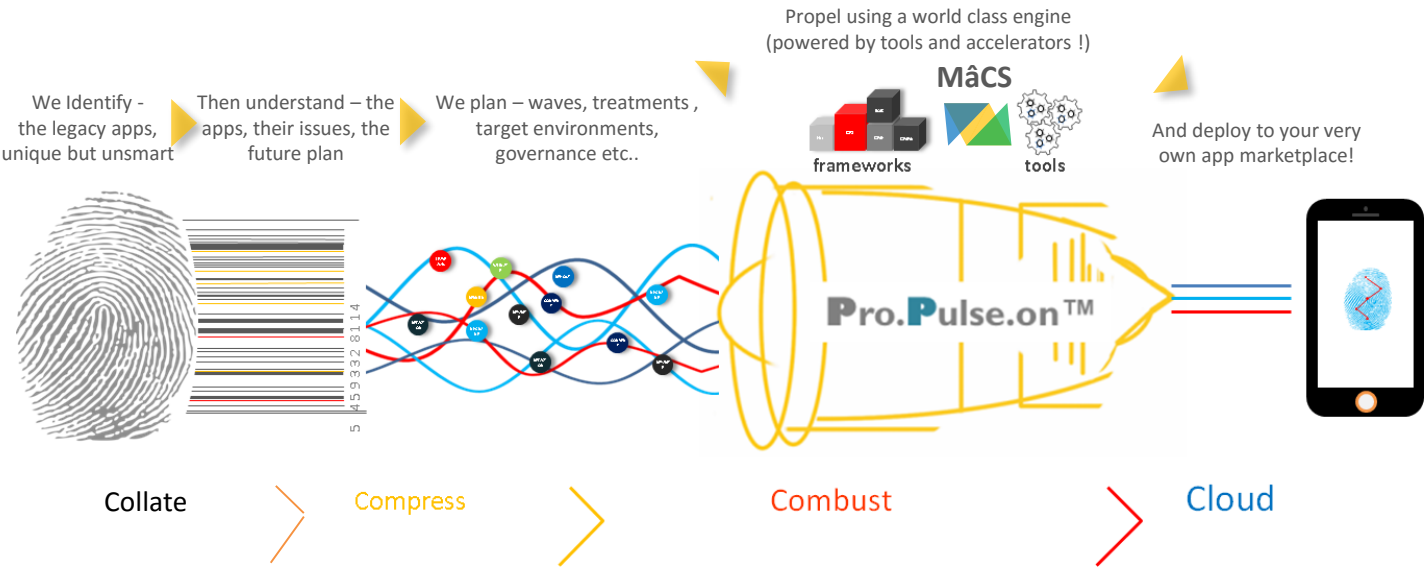

Our innovative approach to creating next-generation IT environments provides greater agility, scalability, performance, security & savings, while maximizing operational benefits and profitability as enterprises pursue Digital Transformation.

### LOOKS LIKE YOGA, ITS NOT JUST THAT!

This offering addresses current challenges faced by enterprises & leverages the latest innovations in cloud, mobility and digital thereby realizing dramatic improvements in operational performance and creating distinct business advantage.

**Investments into tooling for assessment & automated migration / conversion, commitment to RoI & a rich partner ecosystem are the unique features of this offering.**

## AND WE HAVE A PULSATING NEW ENGINE

# #Whats.On

In the last 2 years rich experience we have successfully completed more than **25 engagements** for around **20 customers** globally from **2 Delivery Centers**. We continue to develop and enhance our service offering, we are well positioned to tap the **burgeoning market** for **Application Modernization and Cloud enablement** with significant investment in automation, rich partners eco-system and a proven Modernization Factory, covering a broad spectrum of legacy technologies backed by SLAs and commitment to RoI.

The offering includes modernization blueprints for specific technology scenarios and industry verticals to propel enterprise customers on their digital and modernization journey.

Fast Tracks the customer on their Digital transformation journey

Built in ROI commitment & packaged with ASM, TCO reduction YoY

Faster, better solution design and estimations, quick Time To Market

Rated "Leader" by IDC in Apps Modernization MarketScape 2016

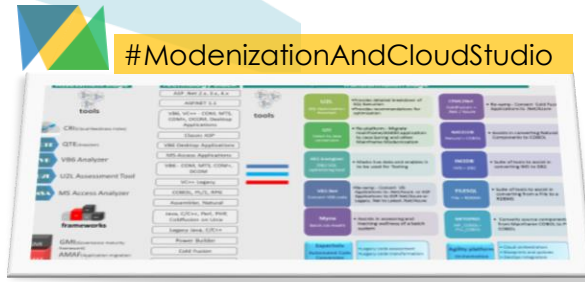

## #The.Pulse

We have learnt from numerous global marquee customers & prospects, from what the analysts said, from the unsaid in many meetings, the way the competition played, the tugs on pricing, from 'on-the ground' folks and put all of it in strengthening, fine tuning & making the new engine faster, & more compelling to customers.

- Speed – Quick Time to Market
- Engineered – Automated and industrialized
- Safe – Committed ROI, functional equivalence
- Secure – Ensure compliance
- Flexible – Pricing models
- Coverage - Rich technology mix

## #TheMaCsimus!

AMDN has recently launched MâCS (Modernization and Cloud Studio) - An even richer suite of tools providing the capability to conduct end to end assessments, define modernization path, manage the migration journey, modernize applications, mitigate migration risks, and achieve enterprise agility at a reduced/optimized cost. It also leverages checklists, blueprints, standard operating procedures and refined industry-based templates, dashboards and scorecards.

## About HCL Technologies

HCL Technologies is a leading global IT services company working with clients in the areas that impact and redefine the core of their businesses. Since its emergence on the global landscape, and after its IPO in 1999, HCL has focused on 'transformational outsourcing', underlined by innovation and value creation, offering an integrated portfolio of services including software-led IT solutions, remote infrastructure management, engineering and R&D services and business services. HCL leverages its extensive global offshore infrastructure and network of offices in 31 countries to provide holistic, multi-service delivery in key industry verticals including Financial Services, Manufacturing, Consumer Services, Public Services and Healthcare & Life sciences. HCL takes pride in its philosophy of 'Employees First, Customers Second' which empowers its 100,000+ transformers to create real value for customers. HCL Technologies, along with its subsidiaries, had consolidated revenues of US\$ 6.1 billion, for the Financial Year ended as on 30th December 2015 (on LTM basis).
